Certified By: Massachusetts State Police in Basic Firearms Safety (BFS)

Course Offering: Courses are offered here at Hamilton R&GC, Inc. through [Tombstone Trading Company](#) at least six times per year, usually every other month with additional course added based on demand. Because Tombstone has additional instructors available when required during the live fire portion of the class, we can accommodate up to twenty students if needed, although class size is usually held to around twelve to fourteen students. For class schedule and course outline please contact me by email and I will send you a copy.

All instructors are licensed and fully insured as required by most sporting clubs here in the state.

Courses are also offered to other sporting clubs that wish to hold training classes at their location for their members, or to help raise additional funds for their clubs.

Current Course Schedule: Listings can be found on this site under "Calendar", the [NRA Training](#) web site and Tombstone Trading Company (see Sponsored Businesses).

Private instruction is also offered and references provided if requested.
